

BICYCLE RACERS' BAD SPILL

COOPER, BALD, BUTLER, NIERTENS AND KISER IN A MIXUP.

The Accident Occurred in the Two-Mile Open Professional at Detroit—Baltimore and Boston Lose—Baseball Players Sold.

Detroit, Mich., Oct. 2.—To-day's national circuit bicycle race was wound up with a half dozen of the fastest of the racing stars badly spilled along the track. Just after the last eighth mile of the final event of the day in the two-mile open, professional, was reached, Tom Cooper's wheel struck that of Butler, who was just ahead. Butler and Cooper were badly thrown and Bald, Niertens and Kiser tumbled over them in a bad mix-up. Niertens' right side was painfully injured by a heavy fall upon Cooper's handlebar. The St. Paul man lay upon the ground for some time before he was able to be assisted to the training quarters. However, his injury is not expected to prove permanent. Bald received a hard blow in the side and all had a severe shaking-up. Aside from this, the day was free from accidents. The weather was fine and the crowd numbered over 2,500.

There was no loading and little jockeying in the final of the two-mile professional. Louhead led at the first mile with Mertens and Butler close up. Cooper, Bald, Butler and Kiser went out successively for the lead and very nearly got it. Then came the accident, giving Louhead the race which he was already in a fair way of winning. Eight thousand people saw the race.

The other professional event was the one-mile, 2 1/2 class, professional. Only a few of the leading flyers started in this race. The three primary heats were won by Taylor, Hoyt and Dr. Brown. Hoyt did some tall sprinting on the third quarter, but Dr. Brown was the active man of the party at the end and finished first in a hot tussle with Butler.

Jerry Woodward, a Detroit amateur, accomplished the feat of riding a quarter of a mile, paced by a tandem, in 25 seconds flat, reducing the state record by 8 1/2 seconds.

Wood and Carlson, amateurs, went a mile on a tandem in 1:54, beating the world's amateur record and equalling the professional tandem record.

The Senators Lose the Game in the First Inning Through Errors.

Indians	1	1	1	1	1
Columbus	1	1	1	1	1

Indianapolis, Ind., Oct. 2.—Indianapolis won the fourth game of the Free Press cup series, and now has three games to her credit. To-day's victory was made easy by the registering of eight runs by the Indians in the opening inning before Bumpus Jones and his Senatorial following had time to settle. Battery errors and a ragged fielding error by Crooks were followed with a flood of singles, and McFarland contributed a triple, Flynn a double, and Hooper a single, to lead the home run.

The contest after the first inning was a pretty one, but lacked interest with the home team leading so strongly. Phillips pitched brilliant ball, and was handsomely supported. Manager Watkins left tonight to join the Pirates at Pittsburgh. Attendance, 2,000. Score:

Indianapolis, Oct. 2.—The Bostonians, the league champions, and the Cubs, brought the season of 1897 to a close at Eastern park this afternoon, and incidentally it was the last league game that will ever be played in Brooklyn, for when the clubs begin their battle in 1898 Brooklyn will be port and parcel of Greater New York. The weather to-day was not the kind that is suitable to baseball playing. It was quite chilly, but in spite of this more than 2,000 persons assembled with the intention of giving the Senators a send-off. But those who came to the grounds for this purpose returned home disappointed, for Manager Lewis shipped Louisa Lowe, Tenney, Collins, Bergen and all his pitchers, leaving only a skeleton of his team to play the Bostonians.

Brooklyn was not much better off. They had to bring in Hamilton from New Haven to cover left field. Still, Brooklyn had the better team, which accounts for the easy victory. Lewis' plan is to start at Eastern park in one of the Temple cup series of games, directed by the Bostonians, to great extent, which accounts for the number of hits. Fisher had all of the Bostonians excepting Stal and Stettin guessing. The latter made himself solid with the crowd by cracking out a single, triple and a home run. His fourth crack would have resulted in a threebagger but for a wonderful catch by Hamilton. Griffin led at the bat, but he was taken in the contest, and not a brilliant was achieved. Attendance, 2,500. Score:
